## Ropeless Jump Rope

BY JUMPSNAP, \$60

Too uncoordinated to jump rope? Sad. The JumpSnap ropeless jump rope is for you. It's essentially a set of nunchucks that allow you to *pretend* you're jumping rope. Twirl your way to fitness and burn more calories than running or biking. It's every princess' dream to lose weight *and* look pretty, so here's your chance! ([jumpsnap.com](http://jumpsnap.com))
